Local paddlers head to Quebec for Triple Crown's final leg

Several Grayling area residents are travelling to Quebec for the third leg of the "triple crown" of canoe racing. "La Classique Internationale de Canots" is a three-day, three-leg race on the St. Maurice River from La Tuque to Trois Rivières, Quebec, September 4-5-6.

"La Classique" is North America's oldest major canoe race, now in its 59th year, and features \$25,000 [Canadian] in prize money. It is the final leg in the "North American Marathon Canoe Racing Championship Series," which has unofficially been dubbed the triple crown of canoe racing.

New York state's General Clinton Regatta and the Weyerhaeuser AuSable River Canoe Marathon make up the first two legs of the Championship Series. This year's AuSable Marathon had its largest field in many years — 34 teams vied for a share of North American's largest canoe racing purse — \$38,000 cash and prizes. The triple crown series has

been credited with attracting more out-of-state paddlers to the Marathon, a trend that race officials anticipate will continue in 1993.

Quebec's Serge Corbin, widely acknowledged as the top canoe racer in North America, and his partner, Grayling's Brett Stockton, have won the first two races and are favored on Corbin's home waters as well. They are confident but cautious, well aware that only a minor equipment or physical problem could prove the difference in a race as long as La Classique.

La Classique is comparable to the AuSable Marathon in length, the winning time will be in the fifteen hour range. Unlike the Marathon, which is a non-stop race, La Classique is run in stages over three days; the longest stage is over seven hours, and the shortest is less than three hours.

Corbin-Stockton can finish third at La Classique and still jointly share the triple crown award. Bruce Barton of Homer, Michigan, their nearest rival, needs a victory at La Classique,

combined with a fourth place finish by Corbin-Stockton for a shot at the crown.

Bill Torongo of Roscommon, is currently seventh in the standings. He flew to Quebec Monday to begin pre-race workouts with his partner, Michel Leveseur, of Grand Mere, Quebec. Though they have not paddled together previously, Torongo has a positive attitude about the upcoming race and is, in his words "pumped up for it."

Jim Harwood of Grayling, and Dave Shepherd of Frederic, are expected to race in Quebec as are Fritz Lamm of Grayling, and his partner Al Widing, Sr., of Mio. Harwood is riding the Championship Series "bubble," as he is currently eleventh in the standings and prize money will be paid to the top ten finishers.

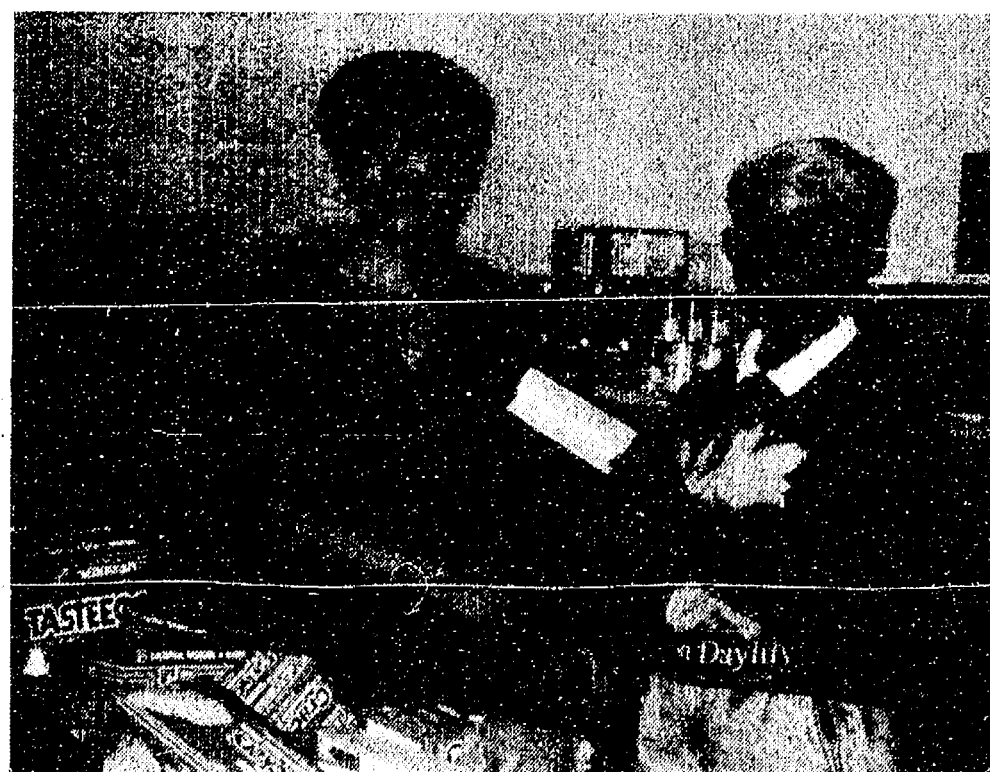

A major Championship Series cup will be christened and ceremoniously presented to the winner in this, the inaugural year of the Series. The triple crown is essentially an individual award, though teammates who paddle

all three races together may tie for and share the award.

The cup is being carried to Quebec by two representatives of the Weyerhaeuser AuSable River Canoe Marathon — Phil Weiler and Steve Southard. Weiler was co-chair of this year's Marathon; Southard, a past Marathon chair, began exploratory discussions with the other races about a championship series five years ago after a visit to La Classique.

While in Quebec, they will also be working with representatives of La Classique and the General Clinton Regatta to begin to standardize race officiating among the three Championship Series races. Marathon racing canoe specifications were standardized [effective in 1993] when the Series agreement was signed earlier this year.

Race officials hope that a sponsor will be attracted at a future date as the Championship Series continues to grow and improve.

\$10,000 DONATION—A check for \$10,000 is presented to Gerry Schroeder of the Crawford County Community Christian Help Center, right, by Stephanie Riemer-Matuzak, Chief Operating Officer at Mercy Hospital/Grayling. The grant was given by the Emily George Fund for Human Needs, a foundation of the Sisters of Mercy Health Corporation, Farmington Hills. The grant provides start-up funds for operation of the new Center located at 306 N. James Street, Grayling.

Frederic residents vote Tuesday on 2-mill trash collection levy

Voters in Frederic Township will consider two ballot proposals on Tuesday, Sept. 8, which will decide if a tax increase is appropriate to continue trash removal.

Early this year, township officials announced that they would halt collection and suggested residents

make their own arrangements. After citizens protested and suggested a millage to pay for the service, the township board agreed to place the issue on a ballot.

In order for the millage to be authorized, both proposals must pass, according to Frederic Township

Supervisor Harold Mertes.

The first proposal deals with conforming to the Headlee Amendment, which requires voters to authorize an assessment exceeding the 15 mills now imposed. This proposal

asks voters to approve lifting the tax limitation by two mills to a total of 17 mills, for five years, for the purpose of providing a garbage collection and transfer service.

Help Center receives \$10,000 start-up grant

Start-up funds for the Crawford County Community Christian Help Center were provided by a \$10,000 grant from the Emily George Fund for Human Needs, a foundation of the Sisters of Mercy Health Corporation, parent company to Mercy Hospital/Grayling.

The Help Center recently located to 306 N. James Street, Grayling, providing help to those in need in Crawford County. The Help Center is sponsored by the local churches and

other caring agents and provides food, encouragement, education and support to the needy.

Gerry Schroeder, recently elected coordinator, is directing the start-up of the Help Center. The Center is run by volunteers and is open Monday, Wednesday, and Friday from 11 a.m. to 3 p.m.

One thing that is always needed at the Help Center is volunteers. If you can help contact the Center at 348-6046 during operating hours.

Early date set for United Way Auction

The 1992 United Way Auction will be held a month earlier this year.

Because of the new date, volunteers will be calling on Auction donors in late August. Since 1985 the United Way Auction has raised a total of \$85,100 to help agencies in Crawford County.

This year will be the 8th annual auction and it will be held at the K of C Hall in Grayling. The silent auction will begin at 6 p.m. with the regular auction at 7 p.m. The giant prize

board will be there, some new and exciting celebrity auctioneers, plus live music and snacks.

If you'd like to make a donation for the regular auction, silent auction, or the prize board, please get in touch with Gloria Kraus at PO Box 553, Grayling, or call 348-9071.

Plan to attend the auction with a party of friends. It's an evening of fun and entertainment along with a donation to a very good cause. And it's tax deductible!

New computer technology for students cornerstone of VISION 2000 plan

A VISION 2000 plan to solve school overcrowding problems and provide \$865,253 worth of computer technology for students will be decided by voters Saturday, September 26.

A bond issue asks for construction of a new high school and improvements to the four existing buildings in the district. Superintendent Kent Reynolds said the computer technology installed in each building would prepare students for the 21st century and provide job skills, training, and experience necessary for employment in the next century.

This week the Avalanche will publish information about the improvements designed for the Frederic Elementary, the Grayling Middle School, and the Grayling High School. In the September 17th issue the Avalanche will look at improvements slated for Grayling Elementary and the new high school. In the September 24th issue, the Avalanche will reprint the cost of the proposed project (previously published in the August 27th issue) and review times and places for voting.

Frederic Elementary

Improvements amounting to \$416,000 are planned for the Frederic Elementary, including \$68,094 in new technology.

Frederic Elementary becomes a K-4th grade school and about 588 square feet are added to the existing 22,110

square feet.

1. The old section is turned into a media center that could become a combined township/school facility.

2. The former library becomes office space for staff, district, and I.S.D. specialists.

3. Larger classrooms are formed by moving walls.

4. A second locker room — to provide men's and women's facilities for community use — and a storage room are added.

5. A paved parking lot is installed.

6. Playground is renovated — including a hard-surface play area, ball fields and reorganizing of existing equipment.

Grayling Middle School

Improvements amounting to \$1,047,000, including \$144,000 in

technology, are planned to change the existing middle school into a 3rd-5th grade school.

1. The majority of renovation goes to site changes. The district will attempt to purchase private property to develop a ball field and playground area.

2. Only minor renovations (to accommodate smaller children) are needed for the interior, as the building was recently renovated.

3. Group toilet facilities are added to the ground floor.

Grayling High School

Improvements amounting to \$2,353,000, including \$210,809 in technology, are planned to change the existing high school into a middle school (grades 6-8). About 6,900

60-pound Grayling woman trying to overcome anorexia

By Kate Rowan

Merrideth Jones is five feet tall and weighs only 60 pounds. At the age of 26, she continues to fight the eating disorder anorexia. After a 14-year up and down battle with this disease, Merrideth is in her terminal phase and is seeking treatment at a clinic in California.

"We had to send Merrideth to California to receive proper care because Michigan does not have an appropriate program to fit her needs," her husband Mike Jones said.

The programs in Michigan offer generalized treatment for a group of eating disorders. This, along with the fact that the patients are not made personally accountable for their weight loss or gain, contributed to the decision to send Merrideth to California.

"In the program Merrideth is currently seeking, every anorexic is held accountable for each pound lost or gained. The goal is to gain one

quarter of a pound a day. The individual accountability is why these types of programs work so well for Merrideth," Jones said.

After finally finding a program capable of helping Merrideth, financial support is the battle now.

"I make too much money for state aid, and I'm getting some help from my insurance, but it costs \$970 a day to keep her as an inpatient, which is what she needs," Jones said. "Even if she were able to be an outpatient, it would cost \$250 each visit."

Merrideth originally went into the hospital under emergency circumstances, but they discharged her because of lack of finances after she had retained enough nutrients to stay alive. She is currently staying with relatives near the hospital.

"The hospital wants their money up front, but Merrideth only has a limited amount of time. At 60 pounds, the most activity she is capable of is

moving around the house for maybe three hours a day," Jones said.

Merrideth's doctor, Dr. Donald Burkley, of Grayling, agreed that Merrideth's case is more serious than many anorexic cases.

"There are a lot of patients with eating disorders, but most are not as extreme as Merrideth. She has a very severe problem," he said.

If her problem is not controlled soon, Merrideth may not survive to return to Grayling.

"Because she is in the later stages of her illness, we're not even sure if it's reversible with a miracle," Jones said. "Right now it looks terminal."

The Joneses are accepting any aid or donations toward Merrideth's care. Donations should be addressed with her name on the envelope and sent to:

NEW GOLF TEAM—Craig Stewart hands a check for more than \$2,100 to Crawford AuSable School District superintendent Kent Reynolds and school board president Chris Duncley to start a high school golf team this fall. Stewart organized a golf tournament to raise the money for the new team, to be coached by Herb Olson.

square feet are added to the existing 117,116 square feet.

1. A new, identifiable entrance is created.
2. The media center is redesigned to emphasize technology.
3. A commons area/cafeteria is built.
4. Two full size computer labs are created for teaching and for student use.
5. The old heating and ventilating systems are replaced.

Extra blood needed for holiday

A Crawford County American Red Cross Blood drive has been scheduled at the American Legion, Grayling, from noon to 5:45 p.m., Wednesday, September 2.

With the support of the community and visitors donating, it will help assure

that an adequate blood supply will be available for over the Labor Day holiday.

Donors must be 17 years old, weigh at least 110 pounds, and be in good health. Healthy senior citizens are also encouraged to donate.

Vandals shoot bullet holes in downtown windows

By Lori Swarthout

Goodale's Bakery, Mac's Drugs, and the law offices of Emil Kraus were hit by vandals sometime after dark,

Monday, August 31.

The plate glass windows of all three businesses were found with several holes in them Tuesday morning, and the vandalism reported to the Grayling City Police. Apparently nothing was taken from any of the buildings.

Evidence found at the scene suggests that some type of small, hand-held weapon was used to cause the malicious destruction.

According to Grayling City Police Chief Pete Stephan, acts of vandalism and malicious destruction of property rise this time of year. No suspect has been arrested in the incident which is still under investigation by city police.

The second proposal will set a limit of two mills, for five years, specifically for the purpose of trash collection.

If these proposals do not pass, each family will be required to pay approximately \$156 each year for trash pick up. The two-mill maximum tax for a home assessed at \$20,000 would cost \$40 per year.

Those in favor of the increase emphasize that both proposals must pass for the entire millage to be authorized. The first proposal allows the tax increase, and the second proposal allows the levy and collection of the increase.

The polls for the election will be open at the Frederic Township Hall from 7 a.m. to 8 p.m. Tuesday.

Magistrate

Appearing before Magistrate Jean Callewaert:

Michael E. Munson of Toledo, Ohio, was fined \$45 for the violation of Quality Water Rules.

Kevin A. Krzesowik of Redford, was fined \$65 for violation of No Trout Stamp.

New Business Feature

The Hickory Stick opens for business

A unique new store has opened in Grayling to serve the educational needs of school age children. The Hickory Stick is located inside the existing Victoriana Gift Shop. Co-owners Sharon Huss and Bambi Mansfield-Oliver decided to go into business selling educational supplies for teachers, parents, and grandparents who know the importance of a quality education.

Bambi, a certified teacher currently substitute teaching in the area, sees a great future for their "brain child" venture. Sharon Huss has been a retail merchant in the Grayling area for four successful years. Her shop Victoriana, which adjoins The Hickory Stick, continues to attract tourists, as well as, local customers who appreciate her fine selection of books, gifts, and home furnishings.

Some of the materials and products

sold at The Hickory Stick will be educational enhancement supplies, supplemental texts and workbooks, educational toys and games, children's books and self esteem reinforcement products. It is hoped by both Bambi and Sharon that their unique merchandise will help the area and provide support for the educational growth of the community. Bambi and Sharon stated that "any future plans or products will be based on the needs of our clients."

The official grand opening for The Hickory Stick has not yet been announced, however, the store is now open Monday and Wednesday, 10 a.m. to 7 p.m., and Tuesday through Saturday, 10 a.m. to 5 p.m. For more information you can call Sharon or Bambi at The Hickory Stick phone number 348-8002.

Golfers help Jr. basketball

Seventy-two golfers played in a scrambles tournament Saturday, August 29, at the Grayling Country Club to raise money for the Jr. basketball program in Grayling.

The winning team of Ken Pearl, Ron Johnson, Dan VanNuck, and Dan Walker shot a five-under-par for nine holes.

- The Crawford AuSable School District is an essential element of the community's quality of life.

TELEPHONE 348-7641

All school district telephones operate through a central switchboard in the Administrative Office. Therefore the same telephone number must be dialed regardless of the building or person you wish to reach. When you reach the central switchboard, your call will be transferred to the building or person you request. The central switchboard is open from 8:00 a.m. until 4:30 p.m. daily.

5TH GRADE AT HIGH SCHOOL

The two fifth grade classes housed in the high school building will be bused to the high school from the middle school as a group in the morning. The bus will leave the middle school between 8:25 and 8:30. Class will start at 8:50. They will have a lunch period separate from high school students from 10:59 to 11:26. They will be bused back to the middle school for the last period of the day arriving at 2:25 for band and exploratory classes. They will end their day at the middle school with all other fifth grade students.

NOTICE

All school offices will be closed from 8:00 a.m. until 10:00 a.m. on Wednesday, September 2. All employees will be in a general school district meeting.

IMMUNIZATION

The Michigan Public Health Code requires that kindergarten students and students new to the district must present proof of at least one dose of measles, mumps, rubella, tetanus, pertussis, diphtheria and polio vaccine to enter school. Kindergarten students will not be admitted until proof of immunization is shown and students new to the district must present proof through a transfer of records from another district or from their physician within one month after they enroll or they will be excluded from school until such proof is shown. The Public Health Department in the County Courthouse has waiver forms for those seeking waivers to this code for religious reasons.

BUILDING USE BY OUTSIDE GROUPS

Persons or groups wishing to use school district facilities are to contact the Community Education Director. A building use request form will be provided and if the request is approved, a contract will be completed.

It is the policy of the district to charge a fee for such use. Fees are based upon the cost of utilities, materials and personnel to the district and upon the type of group using the facility. Requests for building use must be filed at least ten days prior to the date requested. Classrooms, cafeteria and gymnasiums are available for use as is the Joseph Stripe Auditorium in the high school building.

Letters To The Editor

Special Olympians appreciate support from Crawford County

Recently a letter appeared here that may have left the impression that Area 4 Special Olympians is disappointed in the support it has received from Crawford County. This is certainly not the case. In the 15 years that I have been Area Director, the people, businesses and organizations of Crawford County have shown great support of our program, both in their

financial backing and more importantly in their acceptance of our athletes. This could be seen recently in the invitation extended to us to once again be part of the AuSable River Canoe Marathon races. Annually for over the last 12 years, we have held winter training and competition at Hanson Hills. Twelve years ago the people of Grayling and Camp Grayling

hosted the Michigan Special Olympics State Soccer Tournament.

Our program has grown a great deal over the last few years. This year we fielded seven basketball teams, three soccer teams, and three softball teams. The number of teams, plus the fact that many of our teams are composed of players living in four different counties, has challenged us in finding adequate places to practice and play. Since we have limited facilities of our own we must request the use of those belonging to or used by other organizations. In the process of working out these schedules sometimes time conflicts like those mentioned in the previous letter do occur. We realize this is something that is bound to happen occasionally when several groups seek to use the same facility.

On behalf of Special Olympians of Crawford County and all of Area 4, I wish to let the people of Crawford County know that your support of our program is truly appreciated.

Female basketball coach could help local program

Monday, August 24, was introduction night for the Grayling Girls' Basketball program. The entire coaching staff was present as well as the high school players. It is great to anticipate another season. It is also great to see the excitement and enjoyment on the players' faces and in their actions on the court.

I thank the coaches for all the effort I know they put in year after year for a very small salary. They work hard and are more often criticized than thanked for the responsibilities they fulfill with our youngsters. I was really pleased when Coach Dallas Hudson introduced Ms. Michelle Moore as assisting him with the Junior Varsity Team. This brought home to me: Where are the female coaches? Between middle school and high school there are seven girls basketball teams, none of which are coached by females.

I believe both male and female role models are important to all of our children. In general I don't believe that males always need to be the coach of our boys' teams nor do I believe that

females need to always coach our girls' teams. I do believe that we are lacking a full complement of role models when year after year there are no females coaching girls' basketball.

Last year I asked school board members why this situation exists. The answer was that no qualified women have been found who want the responsibility. I wonder why Roscommon, Kalkaska, St. Mary's in Gaylord, and Johannesburg, to name a few, are able to do what Grayling can not. Even M.S.U. now has a female athletic director!

At the introductions the announcement was made that the 7th Grade B Team needs a coach. What a

perfect opportunity to augment our excellent coach staff with a female coach? I would hope our Middle School Athletic Director and The School Board will be active in recruiting a female coach. I hope that interested females in the community will consider the position.

I also hope that this point of view has support beyond myself and the few youngsters that have said they would like to experience working with a female coach. Perhaps there would be more female high school students going out for basketball if consideration was given to this point of view.

Let's Talk About It

By Joe Murphy

If you did not get to see the old classic cars that were here on the 19th of August you missed a real treat, for these were genuine classics from the early days of motor cars. Along with the Ford Model Ts and Cheverolets, I recall seeing some Cadillacs, Overlands, Fullers, Chalmers and a super nice Renault. I know there were others but I just don't recall the names.

The Chalmers was of particular interest to me for my Dad at one time worked at the Chalmers factory in Detroit. I could look at that old car and wonder if my Dad had helped build it. It seemed that older folks were the ones who had restored those great old cars from the past. But maybe they had some good memories of the days when they were in common use.

I know the next couple of months we are going to hear a lot of political rhetoric with a lot of easy answers to our country's problems. There are no easy answers; it is going to take a lot of hard decisions and courage to get this country on track again. If the politicians would work for the good of the country instead of their parties we might get something done.

That old idea of doing the politically popular thing rather than the right thing is what has put us in this hole. As long as voters cast their ballots for the party instead of the man I can foresee no significant change. Party labels tend to separate us rather than unite us. Women's groups, labor unions, ethnic groups or any faction should not be put before the welfare of the entire country. When John Q. Public is willing to

wear a political label of either party and follow the orders of others in casting their vote this country will soon be history.

Well, the work on the house is pretty well done and I feel my son Mike, who did the work, did a real good job for us. He took the extra time to make a lot of little repairs as he went along. Thank you, Mike, for a job well done. Mom and I appreciate that extra effort. Now maybe the old man will get a chance to crank up the motor home and travel around a little. There are a lot of places I want to see before they slap me in the face with a shovel. I hope we have a real nice Indian Summer so we can enjoy a trip or two before winter comes.

Soon school will be starting, so be extra cautious when driving around town. I know no one wants our children to be injured. Little children in their hurry to get to school or home may not think before they run across the street. So slow it down and be careful when you see children on the street.

Now that summer is over, the pace will slow down and folks will have more time to just enjoy life. We all complain about the doldrums of winter but we also must admit it gives us time to read a few good books, work on some crafts or just set and think about all the things we'll do come spring.

Readers say coyotes are eating deer

We thought that you and your readers might like to know about the terrible thing that happened on the road in front of our house this morning about 6 a.m.

I heard a deer cry for about five to ten minutes then quit. When my husband got up at 8 a.m., I had him go down the road to check and he found a spotted fawn that had been torn apart by a coyote. None of the meat was gone but all the insides were gone. The fawn had been eaten alive.

The marks in the road showed where it fought for quite awhile. There were only tracks of one coyote but a large one.

We lose a lot of deer in our area to the coyote. It seems something should be done to stop this kind of thing from happening.

What are your thoughts on this?

Good citizens outnumber the slobs

Once again our beautiful AuSable River has been declassified. If my memory is correct, the National Guard was stationed here in 1913 for the first time. They have been here each

summer since then. A little investigation by people who plan to make this national treasure a future retirement paradise would be helpful to them.

The canoe liveries have operated for many years. The good citizens renting canoes outnumber the slobs many times over. It is my belief that the preservation of this wild and scenic river will always be exercised.

I hope that a little piece of America called "Chrystal Lake, Illinois" is under control and "the public is not damned."

Campaign themes become clearer

WITH BOTH POLITICAL conventions now concluded, the themes of the 1992 presidential campaigns are coming into a bit sharper focus.

The main theme seems to be that the Republicans think they've been doing a good job, and to let the Democrats take over could be expensive and maybe even dangerous. Stick with someone you know, they argue.

The Democrats seem to think the Republicans have done a lousy job and the Democrats could do a lot better, and to let the Republicans continue in office would be expensive and would hurt a lot of people. Try someone new, they plead.

Beyond these two main themes, everything else pales. Some side themes will be sounded, and if one or another seems to hit a positive voter response, then that effective theme will be emphasized, at least for a while.

But the main idea of the whole campaign is really simple: The Republicans are in the White House and want to stay there; the Democrats are outside, and want in.

All the themes and tactics that will unfold in the campaign go back to that simple fact.

THE RECENTLY CONCLUDED Republican convention in many ways was much like the successful Democratic convention a couple of weeks earlier.

Both parties got a chance to parade their best pitches and pitch-persons without interruption. Both parties took full advantage. Both conventions were good ones for their sponsors, and both got done what the parties wanted them to accomplish.

After the Democrats finished in New York, Nominee Bill Clinton took a tremendous jump in the ever-present polls. President George Bush plummeted. If the polls were to be believed, the GOP might as well have given up right then.

But the first polls after the Republican convention had a similar positive result for Mr. Bush. Mr. Clinton's poll advantage slipped slightly each week after the Democratic convention, but he still led by a whopping 18 to 20 points in most polls before the Republican clambake.

As Mr. Bush accepted the GOP nomination, the Clinton lead already had slipped to 9 or 10 polling points. Probably as the full impact of the Republican love fest takes effect, the margin will move even closer, with Mr. Clinton probably still in front by a few points.

The race definitely is not over. In fact, the history of recent campaigns — such as the 1988 race between Mr. Bush and Democrat Michael Dukakis, and the 1976 run between then-President Gerald Ford and to-be-President Jimmy Carter — indicates that the Republicans may even be favored if they are not too far behind in early September polls.

THE AUXILIARY THEMES of the 1992 campaign — in addition to the in-or-out theory of overriding importance — also are coming into focus.

Republicans will campaign on something called "family values." Speaker after speaker drove home the idea that Republicans have good "family values" and Democrats have bad ones. The beauty of the "family values" political theme is that everyone

— speaker and listener alike — can interpret it any way they choose.

At the Houston convention, to Pat Buchanan it appeared to be one set of things, to Barbara Bush it seemed to be a lot different. Voters will hear about "family values" for the months to come.

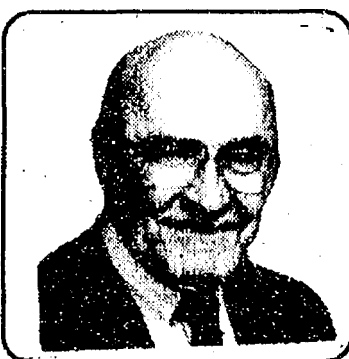

Another theme will be change. Democrats want to change the White House. Republicans want to change the Congress. Mr. Bush invoked the memory of a Democrat, former President Harry Truman who ran against a Republican Congress in 1948 (and won); Mr. Bush appears poised to do the same sort of campaigning. For his part, Mr. Clinton apparently will follow the more traditional route of throw out the president.

Democrats will emphasize the economy, especially jobs and government-related benefits for citizens, such as health care. Republicans will be more inclined to tip-toe around these issues, but emphasize tax cuts as a way to stimulate the economy, create more jobs, and give money back to people to help themselves.

Republicans will hit hard on foreign policy, citing conditions of the world and how they've improved while Mr. Bush has been in office. Democrats will mostly dodge the whole foreign policy area.

Other arguments may surface in the days to come. It should be quite a campaign.

From this view at this time, it looks like the election is yet to be won — or lost.

VISION 2000 Q & A

This fall the Crawford AuSable School District Board of Education along with members of the Grayling Regional Chamber of Commerce, parents and other concerned individuals within the Crawford AuSable School District will be asking voters to approve VISION 2000.

In the weeks ahead, this column can provide answers to public questions regarding VISION 2000.

Q: How much will the project cost with interest added?

A: First let's talk about the "project." The Crawford AuSable School District's desire is very similar to any of us who wishes to build or purchase a home. Very few of us have, at hand in our savings account, the total amount needed to pay the full purchase price of a house. We must go to the local bank and borrow money. The bank loans us the money, but charges us interest for allowing us to use their money. Our school district does not have enough money in "savings" to build the "home" to house the overflow of students currently in the district and the hundreds yet to come. Crawford AuSable Schools must therefore borrow the money. For such a large sum our schools cannot go to the local bank, we must go to a different kind of loan agency and obtain and sell bonds.

Bonds are best known to each of us in the form of United States

Savings Bonds. These however are only one type of bond. The bonds that will be sold for our school district are called Municipal Bonds. One of the two kinds of Municipal Bonds that will be sold are called Zero Coupon Bonds. These bonds are very similar to U.S. Savings Bonds. You purchase the bond for less than the redemption or face value and after a certain period of time you redeem the bond and receive face value which is more than you paid for it. There are several money saving advantages to our district with Zero Coupon Bonds. A lower interest rate can be assessed to them, for a substantial period of time we will not be paying interest and during this time our existing debt will fall. The second type of bond is a Current Interest Bond. The purchaser of this bond pays full face value for it and periodically receives "current interest" based on the amount of the bond. The reason people buy these bonds, either type, is because they are a stable investment and tax free.

Our school district is loaned the money as the bonds are sold. As with any building project, the entire amount is not due "up front" so it is not necessary to sell each and every bond at the same time.

Just as many people within our community are currently borrowing to buy new homes or refinancing their present ones, now is also an opportune time for the Crawford AuSable School District to borrow money as interest rates are exceedingly low. Due to the

daily fluctuation of these rates it is almost impossible to state the exact dollar figure paid out at the end of thirty years. We do know that the total amount of a home mortgage is 280 to 300% above the original loan and the total amount to pay back the bond loan would be 20 to 30% less than this.

As with home mortgages, the money loaned must be paid back with interest. This is why each property owner's tax assessment will increase. In order to take care of this \$25 million plus interest lent to our school district this increase amounts to, depending on assessed value, between 6% and approximately \$2 weekly per property owning family. There is very little today, particularly something of value to all of us, that can be purchased for this type of weekly sum.

Compton named country library director

NEW LIBRARY DIRECTOR--Tracie Compton, Crawford County Library director, is already at work learning what the county residents want in their library.

By Lori Swarthout

Tracie Compton, Crawford County's new library director recently expressed surprised delight with her new job.

Compton grew up in southern Michigan, and after earning her bachelor of science degree in education from Central Michigan University, taught 9th, 10th, and 11th grade English in Vanderbilt. She went on to accept a position as Birch Run librarian. While there, she eventually met and married her husband of 13 years, Bob.

The Comptons moved into her great-grandparents' house in Gaylord three years ago, along with their two children, Jessica, 11, and Jacob, 8. Compton accepted a job as inter-library loan librarian for Otsego County, building up an already strong resume.

When Crawford County librarian Rose Duley retired, Compton was urged by many friends to apply for the position. She followed their advice, curious to see how marketable she was. She says she was "very pleased and surprised" to be offered the job when called in for a second interview. Compton added, "These jobs don't come up very often, especially in northern Michigan. This is a promotion; I learned a lot working at Gaylord."

Compton's first priority as Crawford County librarian is to get to know the

community -- what it needs and wants in a library. Her efforts in this direction have already involved her in Grayling groups such as the Grayling Promotional Association and the Shawano Center Advisory Board.

Compton is also busy learning what she calls an "excellent" collection built up by Duley and her predecessors. Compton says she is really looking forward to January, when the Crawford County library becomes one of Michigan's Group Access Sites. Currently, the county library is a member of the 78-member Mid-Michigan Library League, headquartered in Cadillac. Becoming a group access site will mean that the Crawford County Library will be able to use its own computer system for tracking inter-library loan materials rather than relying exclusively on the headquarters in Cadillac.

In her spare time, Compton enjoys, what else, reading. She especially likes a good mystery, in particular, ones that feature hard-boiled female detectives. She says, "I've read about so many hard-boiled male cops, it's nice to read about the hard-boiled female cops."

Girls have potential to win division title

By Nancy Lemmen

This team has the potential to win the conference, provided the underclassmen blend in well with the seniors, said Coach Howard Lehti of the 1992 Grayling High School girls' basketball team.

In 1991, the Vikings took 3rd place in the Lake Huron Division of the Great Northern League — a spot they have never finished lower than in the past seven years.

"It's one of the most enthusiastic teams in the last few years," said Lehti. "The girls seem to really enjoy basketball and this in itself is a rewarding experience for me."

Lehti admitted some concern about overall team height: "Lack of height will cause problems unless we hit the boards and box out tough. I expect rebounding from all positions."

Co-captains Sarah Micek and Amy Vandecar expressed optimism about the season ahead.

"We've become more team-oriented," said Vandecar. "We're united, so we'll work together better."

"We want to win Districts," added Micek.

The entire team and the coach attended two team camps this summer — three days in Rogers City in July and four days at Olivet College in August.

The Vikings open the season with three non-division games at home — Roscommon on Tuesday, September 1; Elk Rapids on Thursday, the 3rd; and Charlevoix on Tuesday, the 8th.

"That's the way it should be," said Lehti. "Starting with three non-conference games will give us good experience going into conference play."

The Vikings' 20-game schedule is a tough one, said Lehti, with games

against strong opponents such as Petoskey, Charlevoix, Elk Rapids, Roscommon and Kalkaska.

Elk Rapids and Petoskey are new to the schedule. Games against Boyne City and Gladwin were dropped.

TEAM ROSTER

The 1992 roster includes four returning senior letter winners: Heidi Craigie, guard; Micek, forward; Vandecar, center; and Elissa Cox, guard.

Two juniors also saw varsity action last season: Jaime Andrus, center; Angie Mertes, guard; and as did sophomore Nicole Parker, guard.

Juniors up from the junior varsity team include: Mande Micek, guard; Darcie McCurdy, forward; and Suzan Lovely, forward.

Managers are junior Jonathan King and Jennie Evans.

"The managers are doing a nice job helping me with all the incidental stuff," said Lehti.

Stevens aces 11th hole

Ralph Stevens of Grayling, hit a hole-in-one on the 11th hole at the Grayling Country Club Tuesday, August 25.

He used a pitching wedge on the par three, 110-yard hole. The ace came during Tuesday Night Men's League and was witnessed by Jack Stevens, Pat Money, and Dave McClain. His team score for a nine-hole scrambles tournament was 33.

Par For The Course

The Men's League on Tuesday and Wednesday play two halves. The winners in the Red Flite in the first half were Dale Pettengill and Dick DuBois. The White Flite winners were Bill Ross and Mike Lesko. The Blue Flite winners were Pat Money and Dave McClain.

On Wednesday in the Red Flite the winners were "Mick" McNamara and Glen Terry. The Blue Flite winners were Bill Worden and Al Zigala.

The first half winners and second half winners will have a play off to decide champions.

The Wednesday Morning Ladies Golf League played in spite of the rain and cold August 26. The game for the day was low net for each flight. Following are the winners: A Flight, Mary Jane Knibbs, Marge Sneath, JoAnn Powell, and Pros Guno; B Flight, Gloria Neilson, Jodi Hinkle, Pearl Tucker, and Betty Ruth Leech; C Flight, Fran Shires, Doretha Carlson, Ricki Stahl, and Helen Pollmon; D Flight, Moe McNamara and Joyce Vogelsburg.

PUBLIC RELEASE

C.O.O.R. INTERMEDIATE SCHOOL DISTRICT today announced its policy for free and reduced-price meals for children unable to pay the full price of meals served under the National School Lunch, School Breakfast, special Milk or Commodity School Programs. The following household size and income criteria will be used for determining eligibility.

TOTAL FAMILY SIZE	A. SCALE FOR FREE MEALS OR FREE MILK			B. SCALE FOR REDUCED PRICE MEALS		
	Year	Month	Week	Year	Month	Week
1	8,853	738	171	12,599	1,050	243
2	11,947	996	230	17,002	1,417	327
3	15,041	1,254	290	21,405	1,784	412

5	21,229	1,770	409	30,211	2,518	581
6	24,323	2,027	468	34,614	2,885	666
7	27,417	2,285	528	39,017	3,252	751
8	30,511	2,543	587	43,420	3,619	835
Each Additional Family Member	+3,094	+258	+60	+4,403	+367	+85

Children from households whose income is at or below the levels shown are eligible for free and reduced-price meals or free milk. Application forms are being sent to all homes with a letter to parents or guardians. To apply for free or reduced-price meals, households should fill out the form and return it to the school. Additional copies of the application form are available at the principal's office in each school.

NON FOOD STAMP HOUSEHOLDS: An application which does not contain all of the following information cannot be processed by the school: (1) monthly source of income received by each household member (such as wages, child support, etc.); (2) names of all household members; (3) social security number of adult household member who signs the application; and (4) the signature of an adult household member.

FOOD STAMP/AFDC HOUSEHOLDS: If you currently receive Food Stamps or "Aid to Families with Dependent children" (AFDC) for your child, you only have to list your child's name and Food Stamp or AFDC case number, and sign the application.

The information provided by the household is confidential and will be used only for the purpose of determining eligibility and verifying data. Applications may be verified by the school or other officials at any time during the school year.

If children are approved for free or reduced-price meal or free milk benefits, the household must report to the school increases in household income over \$50 per month (\$600 per year) and decreases in household size.

Households may apply for benefits at any time during the school year. If a household is not currently eligible but has a decrease in household income, an increase in household size or if a household member becomes unemployed, the household should fill out an application at that time.

In most cases foster children are eligible for these benefits regardless of the household's income. If a household has foster children living with them and they wish to apply for free or reduced-price meals or milk for them, the household should contact the school for more information.

Under the provisions of the policy the Secretary of Special Education will review applications and determine eligibility. Parents or guardians dissatisfied with the ruling of the official may wish to discuss the decision with the determining official on an informal basis. The household also has the right to a fair hearing. This can be done by calling or writing the following official: George E. Johnson, 11051 N. Cut Rd., Roscommon, MI (517) 275-5137. C.O.O.R. Intermediate School District has a copy of the complete policy, which may be reviewed by any interested party.

In the operation of the child feeding programs no child will be discriminated against on the basis of race, color, national origin, age, sex, or handicap. If any member of a household believes they have been discriminated against, they should write immediately to the Secretary of Agriculture, Washington, D.C. 20250.

GHS wants to repeat as division champ

By Nancy Lemmen

Defending the conference championship is a major goal of the Grayling High School varsity football team for the 1992 season, said Head Coach David Larkin.

The GHS team won the Lake Huron Division of the Great Northern League in 1991 — Larkin's first season as head coach — and they hope to repeat their feat this season.

Other goals set by team members at a goal setting seminar held August 19 at the Holiday Inn include win all their home games, qualify for the state playoffs and beat Roscommon.

The Vikings will have an

opportunity to make one goal a reality when they face the rival Bucks in their season opener on Friday, September 4, at Roscommon.

"It's a big game for us, because it's a traditional rivalry and because of our game last year," said Larkin.

In the '91 game, the Vikings narrowly lost to the Bucks in a contest that went into triple overtime.

"Our players don't need any motivation for that game," said Larkin. "They'll be very fired up — no pep talks required."

The Vikings, who have been practicing since August 10, did "very well" at an August 21 home scrimmage

against Houghton Lake, said Larkin. "Everybody played and we got to get a good look at people under game conditions."

The team scrimmaged again on August 29 against Clare and Gladwin at Gladwin.

TEAM ROSTER

The 1992 roster includes several returning senior lettermen "with a lot of experience in the backfield," said Larkin.

Mike Kirmo will be in the quarterback position; Gary Schroyer and Jason Brigham, running backs; and Mitch McMillan, Mike Spencer and Eric LaForest, wide receivers.

The offensive line will include Loren Lugviel, Jason Medler and Matt Cragg, all of whom bring experience to their positions.

Other returning seniors include: Steve Branch, linebacker; Brian Calkins, tight end; Chad Gorman, guard; Jim Green, guard; Rick Leyland, wide receiver; Jason Neeley, linebacker; and Dave Roberts, wide receiver.

Senior team members who didn't play in '91 include: Jeremy Bowers, wide receiver; Nick Hebekeuser, tight end; Mark Kraus, tackle; and Matt Gingerich, wide receiver.

"We also have younger kids up from the JV squad pushing for starting positions," said Larkin: Chris Wolcott, wide receiver/quarterback; Scott Gizinski, tackle; Brent Kernstock, linebacker; Mike Hartman, guard; and J.C. Millikin, guard.

Other juniors include: Jeremiah Blaauw, tackle; Tim Donahoe, wide receiver; Chuck Galloway, tackle; and Paul Hartman, end. Sophomore Scott Longendyke will play offensive tackle/defensive end.

New transfers include: senior Dennis Stocker, from Michigan Lutheran Seminary in Saginaw, linebacker; junior Sean Witucki, Mishawauka, Indiana, wide receiver/defensive back; and senior Jan Karlsvik, foreign exchange student from Norway staying with Mike Shearer, kicker.

Larkin, formerly a Grayling Middle School and GHS instructor, will teach mathematics and physical education full-time at the high school this year. Assistant coaches are: Mike Branch,

offensive line/defensive backs; Tony Diola wide receivers/linebackers; and Don Ferguson, offensive/defensive line.

Junior varsity team coaches are Chuck Spencer and Fred Wolcott.

The team has been training three days a week in the GHS weight room all summer and had one week of conditioning work — flexibility and agility drills and sprints — prior to the start of practices, said Larkin.

This year's schedule includes two new schools, Charlevoix (home on September 25) and Lake City (away on October 23). St. Ignace and Harbor Springs were dropped from the schedule.

The Vikings will play five home contests and four on the road. After the opener at Roscommon, GHS hosts three games in a row — Onaway, Kalkaska and Charlevoix.

Hobby Club plans C.A.R.E.

The Frederic Hobby Club met Monday, August 24, to finish plans for the C.A.R.E. Coffee break program and set work schedules for the Labor Day weekend. The club will be at the Frederic Rest Area on I-75 serving refreshments September 5, 6, and 7 to the travelers.

Connie Rozanski and Eleanor White were the co-hostesses for this meeting and Grace Germain was the winner of the door prize.

Their next meeting will be Monday, September 14, at the clubhouse, at 7:30 p.m.

SPECIAL ELECTION NOTICE

To The Qualified Electors of the Township of
 Frederic, Crawford County, Michigan

Notice Is Hereby Given, That an Election
 will be held in the

Township of Frederic

on

Tuesday, September 8, 1992

The Election is being held to vote on the
 following proposals:

BALLOT PROPOSALS

1. Shall the 15 mill tax limitation on general ad valorem taxes imposed upon real and tangible personal property for all purposes in one year under the Michigan Constitution be increased for the Township of Frederic, Crawford County, Michigan by two (2) mills (\$2.00 per \$1,000.00 of equalized valuation) on residential property only, for a period of five (5) years from 1992 through 1996 inclusive for the purpose of providing garbage collection and transfer service.

2. Shall the Township of Frederic, Crawford County, Michigan levy an ad valorem tax of up to two (2) mills (\$2.00 per \$1,000.00 of equalized valuation) on residential property only, for a period of five (5) years from 1992 through 1996 inclusive for the purpose of providing garbage collection and transfer service.

I, Joseph V. Wakeley, Treasurer of Crawford County, Michigan hereby certify that as of July 27, 1992, the records of this office indicate that the total of all voted increases over and above the tax limitation established by the Constitution of Michigan, affecting the taxable property located in Frederic Township, is as follows:

By Crawford County:	.50 Mills - Commission on Aging - 1989 thru 1992

The Avalanche

FOOTBALL Contest

Here's how to be a weekly winner:

1. Write your prediction for game one on entry form.
2. Write the advertiser's name on entry form for game one. All the advertisers must be included.
3. Fill out rest of entry form this way including your two tie-breaker predictions (total points scored by both teams).
4. Return the entry form by 5 p.m. Friday to the Avalanche. Mail slot in our door may be used Wednesday or Thursday night after 5 p.m. and before 9 a.m. Mail entries must be postmarked Friday or earlier. No late entries accepted. No exceptions.
5. The person with the most correct picks wins all the weekly prizes listed.

Here's how to win the overall prizes:

1. Each time you turn in an entry form you'll receive points for your correct picks. Most games will be worth one point. (All games for week 1 are worth one point each.) Later in the season, certain games will be designated as bonus point games worth more than 1 point. The biggest bonus point game will be at the last week of the contest.
2. You don't have to enter each week to be eligible to win but if you play each week, you'll have more chances to win points.
3. The person with the most points at the end of the 17-week contest will win all the overall prizes.

Weekly Prizes

- *Monday Steak & Mushroom Special, dinner for two, gift certificate from Chief Shoppenagons Hotel
- *\$10 gift certificate from Grayling Glen's Market

Obituaries

Carl Olson

Carl A. Olson, 85, of Frederic, died Sunday, August 23, 1992, at Mercy Manor in Grayling. Funeral services were held Wednesday, August 26, 1992, at Sorenson Funeral Home, McEvers Chapel, with Elder Lacey Stephan officiating. Burial was in Oakwood Cemetery in Frederic.

Mr. Olson was born October 24, 1906, in Deward. He graduated from Grayling High School in 1924. He was a life-resident of Deward and Frederic and had been employed by the State of Michigan, Department of Natural Resources, as a park ranger at Hartwick Pines for 23 years before his retirement.

He was preceded in death by his wife, Molly, in 1978; daughter, Rosalie; granddaughter, Kristi; his parents, John and Emma (Anderson) Olson; and six sisters.

Survivors include: daughter, Susan and Mitchell Thompson of Maple Forest; son, Steven and Helen Olson of Frederic; five grandchildren; and four great-grandchildren.

The family suggests memorials to the Lions Club for the University of Michigan Hospital for the sight replacement wing.

Joseph Callewaert

Joseph F. Callewaert, 70, of Grayling, died Thursday, August 27, 1992, at Munson Medical Center in Traverse City. A wake service was held Friday, August 28, at Sorenson Funeral Home. A Mass of Christian Burial was held Saturday, August 29, at St. Mary's Catholic Church in Grayling, with Reverend Michael Conner officiating.

Pallbearers were Joseph S. Callewaert, Daniel Telly, Anthony Telly, Lawrence Stremersch, Thomas Cianciolo and Daniel Rinke.

Mr. Callewaert was born May 19, 1922, in Detroit. He moved to Grayling seven years ago from Washington, Michigan, where he was a self-employed farmer, and had also been employed as head groundsman for the Utica Schools, retiring in 1980. He was a member of the Knights of Columbus, St. Lawrence Council, Utica. He was preceded in death by his parents, Maurits and Marie (DeClercq) Callewaert.

Survivors include: wife, Mary (Link) Callewaert; sons, Joseph Callewaert, III of Grayling, and William Blank of Warren; daughters, Carol Telly of Utica, Rosemarie Kiyan of Sacramento, CA, Dorothy Bare of Pensacola, FL, and Deborah Rugenstein of Grayling; brother, Maurice Camil of Utica; sisters, Josephine Theut of Armada, Margaret Osborne of Mesa, Arizona, and Martha Rinke of Curran; 12 grandchildren; and four great-grandchildren.

The family suggests memorials to the American Cancer Society.

Cards of thanks

A sincere thank you to all our friends and family who expressed their sympathy during our time of sorrow, at the loss of our mother, Ethel Mae Parkinson.

Your warm embrace has been comforting and is truly appreciated. Again, thanks to all who have been so kind.

Florence Nimke

Florence I. Nimke, 91, died Monday, August 17, 1992, in Scottsdale, Arizona. A funeral Mass was celebrated at St. Thomas the Apostle Catholic Church in Ann Arbor on August 21, 1992. Burial followed in St. Thomas Catholic Cemetery.

Mrs. Nimke was born May 24, 1901, the daughter of Harry S. and Mary (Ryan) Brown. On September 8, 1919, she married Carl J. Nimke and he preceded her in death on October 13, 1960. She moved to Grayling in 1974; and was a member of St. Mary Catholic Church until moving to Phoenix, Arizona, in 1985.

Survivors include: daughters, Jean Florence Shrope of Mancelona and Phyllis Lou Peters of Phoenix, Arizona; son, R. Duane Nimke of Las Vegas, Nevada; six grandchildren, among them, Christina (Nimke) Brackenbury of Grayling and Robert Nimke of Fallon, Nevada; eight great-grandchildren; and one sister, Virginia Teeter of Grayling.

Memorial tributes may be made to St. Jude Children's Hospital, P.O. Box 50, Memphis, TN 38101.

Louis Pickell

Louis A. Pickell, 79, of Grayling, died Monday, August 31, 1992, at The Meadows of Grayling. No services are planned. Arrangements were made by Sorenson Funeral Home, McEvers Chapel.

Mr. Pickell was born February 5, 1913, in Detroit. He was a retired serviceman for a fuel gas company and had also worked as a gunsmith at Michigan Center for 15 years. He and his wife, Maude (Sponsler) were married February 2, 1935, and celebrated 57 years of marriage, and she survives. He was a member of the National Rifle Association. He was preceded in death by his parents, Arlington Marcus and Esther (Desmond) Pickell.

Also surviving are: daughters, Nancy and Ira Luce of Michigan Center, and Susan and Rex Cornell of Morley; sons, James Pickell of Grayling, and John Pickell of Jackson; ten grandchildren; and nine great-grandchildren.

A Bright New World

Isn't it wonderful to watch a baby
Explore the world around them with their eyes
I seems that everything they see
Is full of wonder and surprise

They find such joy in everything
That we older folks ignore
Then we have the nerve to ask
Why life is not exciting anymore

The antics of a kitten or puppy
Just makes them bubble over in delight
With eyes so full of joy and laughter
That they just seem to come alight

Just the sight of another child
Seems to bring their eyes aglow
As if their eyes were saying
There's someone I'd like to know

If we could see things through a baby's eyes
And see all the wonderful things they see
The bright colors of a pretty flower
Or the sound of a bird singing in a tree

How I envy you, dear child
And all the wonderful things you see
For I've grown old and bla-se
And this world's old hat to me

So look at those wonders while you can
With your sweet baby face all alight
For you may be the one who will someday
Set this whole world aright

Features

SPARKLE NEEDS A NEW HOME—Sparkle is a three-year-old female cocker spaniel with all her shots. Although she is housebroken, she is not good with small children and should go to a home with adults.

Call the Animal Shelter of Crawford County at 348-4117 or visit at 508 1/2 Huron (M-72 East) to inquire about Sparkle and the many other pets in need of good homes. Hours are 9-4, Monday-Saturday, 8-11, Sunday.

Pet Care Tip

Have your veterinarian show you how to check and clean your dog's teeth. Dental care is important to your pet's continued good health.

A Look At Our Past from the pages of the Avalanche

23 years ago September 4, 1969

Laura Olson was selected by the membership of the Grayling Country Club Golf Auxiliary as "Miss Congeniality of Golf for 1969." We are very proud to have her as a member, and want her to always be there with that very special sparkle.

Christine Carlson, daughter of Mr. and Mrs. Arthur Carlson, has taken her state board exams and has received her license to practice as a registered nurse.

The Bible Speaks

From The
Calvary Baptist Church

Is Sodomy a Civil Right?

We salute the Concerned Women for America for publicly exposing the latest attempt to legalize sodomy. They declare that S.B. 574 sponsored by Sen. Edward Kennedy, and the House version H.R. 1430 sponsored by Rep. Barney Frank would make homosexuality a constitutionally protected civil right.

Beverly LaHaye, president of CWA said that H.B. 574 if passed "will give a man who marries another man the same rights as a husband and wife. Churches may have to hire homosexuals, 'Gay' couples will have the right to adopt any child. Schools will be forced to teach that homosexuality is not an unnatural sexual behavior, but a civil right. And churches cannot reject gays and lesbians who seek ordination."

LaHaye continued, "We're looking at the wholesale destruction of the family and religious freedom in America. It is inconceivable that the U.S. Congress is squandering

taxpayers' money in order to deliberate such an anti-God and anti-family bill. It shows how entrenched and powerful the homosexual lobbies are in our society."

God's Holy Scriptures are clear: "Thou shalt not lie with mankind, as with womankind: it [is] abomination." (LEV 18:22). "Know ye not that the unrighteous shall not inherit the kingdom of God? Be not deceived: neither fornicators, nor idolaters, nor adulterers, nor effeminate, nor abusers of themselves with mankind... shall inherit the kingdom of God." (1 CO 6:9, 10). "And turning the cities of Sodom and Gomorrah into ashes condemned [them] with an overthrow, making [them] an ensample unto those that after should live ungodly." (2PE 2:6). "Even as Sodom and Gomorrah, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire." (JDE 1:7).

We are in the midst of a cultural war which will determine what America will be like in the 21st century. Will it

be like Sodom? "But before they lay down, the men of the city, [even] the men of Sodom, compassed the house round, both old and young, all the people from every quarter: And they called unto Lot, and said unto him, Where [are] the men which came in to thee this night? bring them out unto us, that we may know them." (GEN 19:4, 5).

Michael Swift, a well-known militant gay activist has shared his dream for the future: "All laws banning homosexual activity will be revoked. Instead, legislation shall be passed which engenders love between men. All churches who condemn us will be closed. Our only gods are handsome young men." Sodomy must not become a civil right. It stands condemned of God as scripturally and morally wrong.

Church Directory

Body and Soul

Contemplate the connection...work and soul.

Work and the body...a straightforward concept; whatever our work, we must utilize our body, whether primarily brain or brawn.

Work and the soul...now ponder this. How do you feel, physically and emotionally, after an active and satisfying workday? Perhaps a feeling of stimulation...of elevation...of the body and the soul...sometimes coined "a good tired". Why? Because work done with dedication is also good for the soul.

A new concept? Hardly. Over one hundred years ago, the philosopher, Henry David Thoreau, wrote, "Good for the body is the work of the body, and good for the soul is the work of the soul, and good for either the work of the other."

Inclusive in our celebration during the week of Labor Day, as we worship, may we praise God as the source of our talents and our vigor.

"He who labors as he prays
lifts his heart to God with his hands."

Senior Forum shares tips on avoiding thieves

The fall series of the Senior Care Forums, sponsored by the Senior Care Network at Mercy Hospital/Grayling, will begin in September with an interesting program on crime prevention. Seniors wishing to learn more about protecting themselves are encouraged to attend this forum on Tuesday, September 8, at 10 a.m. in the Riverside Room at Mercy Hospital.

Guest speaker Sam Karagulef of Blue Cross/Blue Shield will share tips

to help you avoid being a victim of burglars, thieves and con artists. He will provide a variety of handouts that you can use for future reference.

Crawford County Road Commission July 2, 1992 Minutes

The regular meeting of the Crawford County Road Commission was held in their office in Grayling. Present were: Chairman Norman Parker, Commissioners Clyde Anthony and Kenneth Chapp, Engineer-Manager Richard Young, and Accounting Clerk Joanne Thompson. Also present were: Edah Halliday, Henry Mason, Gail Carrick and Pete Kocofas.

The minutes of the previous meeting of June 19, and the special meeting of June 24, 1992, were read. Commissioner Chapp made a motion to accept the minutes, which was seconded by Commissioner Anthony. All voted in favor.

Payroll Voucher Number 14 in the amount of \$28,480.33 and Material Checks numbered

20411 through 20481 in the amount of \$74,401.47 were presented to the Board for approval of payment. Commissioner Anthony made a motion to accept the vouchers, seconded by Commissioner Chapp.

Bids for local blacktop projects and gravel were opened at approximately 10:10 a.m. The results are as follows:

Blacktop	4800 tons total

8,000 yds of 23A at Ostrander \$2.50

(Bids subject to obtaining permission for contractor to test pits and obtaining permits.)

At 11:45 p.m. Chairman of County Commissioners, Lee Riley appeared. The Board thanked Mrs. Halliday, Mrs. Carrick and Henry Mason for attending and that they will be notified when a decision is made.

Permits were reviewed and signed as follows:

Hosking Geophysical to conduct a seismic survey in Grayling Township and David Hansen to cut trees on Portage Avenue in Grayling Township.

Pete Kocofas approached the Board regarding Finch/Wayside. It was noted that all signatures received on petitions did not live on the said road. A letter was received from Grayling Township Supervisor Stancil stating that it had been changed from Oak to Finch on April 29, 1991. Commissioner Anthony recommended that it remain Finch unless residents meet and concur on the name they would prefer. The Board will contact Grayling Township to research who resides on the road in question. Residents are considered to be a property owner who about to the road in question.

A County Road Association Communications Needs Study was completed.

Correspondence was received from Barry County Road Commission on a Road Kill Policy. Commissioner Chapp suggested the Resolution previously passed supporting the policy be forwarded to Thomas Alley, House of Representatives.

A certificate of survey was done on a portion of property in Lovells Township. To recover the cost of the survey it was decided to sell the property to the adjoining land owners by quit claim deed for the cost of the survey.

Speed bumps must be removed for the safety of traveling public on Lake Road/Soldier Avenue in Grayling Township. Complaints were received on the bolts protruding from the bumps. Lieutenant Colonel Koppa and Major Lenczy telephoned and the Board joined into a conference call. LTC Koppa suggested that the request be received in writing and they will respond in writing. They will contain the bolts in the speed bumps. LTC Koppa mentioned that the Camp is working on traffic control orders with the Adj. General's office in Lansing.

The following motion made by Commissioner Anthony, supported by all Board members, was passed unanimously. "In the best interest of the motoring public there will be no unauthorized signs (public, private, political) on any county road right-of-way. Any person wishing to install a sign must fill out a permit form available at the Road Commission office. There is a nominal fee and an insurance certificate to be furnished. The county road foreman will review the proposed site and after his and the Engineer-Manager approval the

permit will be signed by the Board.

The Board left for lunch at 12:30 p.m. and returned approximately 1:30 p.m. during which time they toured Soldier Avenue. The Board advised Engineer-Manager Young to contact our insurance company, Creative Risk on the Road Commission's liability on roads inside the Camp and/or ranges. Meanwhile the Board signed a letter expressing concern with the speed bumps and requesting proper maintenance of them.

Motion was made by Commissioner Chapp, seconded by Commissioner Anthony, that until the Board of Crawford County Road Commission reviews and updates the current local road blacktop project participation policy no further projects will be accepted.

Commissioners Anthony and Chapp asked for the Blue Cross representative and some union employees to appear for review of different options as soon as possible.

Discussion was held on the condition of Feldhauser, Hi Banks and Lovells Road.

Bid results were reviewed and the mutual decision of the Board was to award the gravel bid to the low bidder, Halliday Sand & Gravel and the local blacktop bid to Central Paving Company, low bidder.

A request was received to vacate a portion of Evergreen Avenue and Hunter Place, Portage Lake Park, 6th Addition, Grayling Township. The Board informed Engineer-Manager Young to have the owners get a land survey and then they will tour the area and make a decision.

A motion was made and seconded to adjourn. All voted in favor. Meeting adjourned.

Grayling Township Board Regular Meeting August 11, 1992

Members present: M. McNamara, J. Medler, R. O'Mara, M. Ashton, A. Stancil. Members absent: None. Others Present: Loren Goodale, Joe Callewact, Jack Best, Petra Hellthaler.

Motion by O'Mara/Ashton, carried, to approve minutes of July 7, 1992, as presented. All ayes.

Motion by Ashton/Medler, carried, to accept Treasurer's report for July, 1992. All ayes.

Correspondence: (No Action Required): Crawford AuSable School District Board

Happenings: 6-13-92, Michigan Natural Resources Trust Fund Board of Trustees meeting

minutes: 6-17-92, Crawford Emergency Central Dispatch; June 92, Camp Lehman Procedure on

Escape Reporting; Grayling City & Township Fire Reports for March, April, May, June, 1992.

BUSINESS:

Citizens Who Wish To Speak:

Joe Callewact, County Commissioner, discussed the possibility of various Townships entering into litigation regarding reciprocal agreements at the Landfill. Also, responsibility for future contamination and capacity.

Loren Goodale commented favorably on the trust fund currently in place for landfill cleanups.

Stancil read legal opinion by Doug Dosson concerning reciprocal agreements for solid waste disposal.

Consensus of Board: Willing to consider any and all information concerning reciprocal agreements with outlying counties. Do not advocate entering into litigation.

Motion by McNamara/Medler, carried, to recess regular session and open Public Hearing for Little John Avenue paving project. All ayes.

PUBLIC HEARING

Supervisor explained that a petition signed by 85% of property owners of frontage on Little John Avenue, a private road in Sec. 12, T26N, R4W, requesting paving of 697 feet of road through special assessment was accepted by this Board on May 29, 1992.

A bid was received for \$7,271. The property owners are requesting the Township to loan that amount at 6% interest to be repaid through a five year Special Assessment each December 1st.

The purpose of this hearing is to receive and review public opinion regarding the necessity of the project.

Jack Best, petitioner, spoke in favor of the project.

No one spoke in opposition to the project.

Motion by Medler/O'Mara, carried, to close Public Hearing and return to regular session. All ayes.

Motion by Medler/McNamara, carried, to proceed with creation of a Special Assessment District to pave Little John Avenue and authorize the Supervisor to draw up a Special Assessment Roll to be reviewed at a Public Hearing scheduled to Sept. 8, 1992, at 8 p.m. All ayes.

Discussion of Crawford County's plan to coordinate a five year gypsy moth suppression program for an annual fee of \$500 per town and range. This could be accomplished through a millage request, special assessment, private pay, or the general fund.

Motion by O'Mara/Medler, carried, that the coordinator's fees for the gypsy moth program

be handled through means other than a millage request. All ayes.

Notification by South Branch Township that they are experiencing problems with jet skis on the AuSable River and enclosed a sample ordinance to prohibit their use.

Grayling Township has received no complaints or sightings of jet skis within its boundaries. Action deemed unnecessary at this time.

Motion by McNamara/Medler, carried, to authorize Stancil and legal counsel, if necessary, to review proposed amendments to the Interlocal Agreement for the Crawford County Transportation Authority. Said amendments would transfer duties and obligations of the existing authority to a new authority created under PA 196 or 1986. Questionable terms, if any, should be brought to the attention of the Township Board prior to signing. All ayes.

Motion by McNamara/Ashton, carried, to accept recommendation of the Planning Commission to remove James Baker from said Board due to inactivity and advertise for a replacement. All ayes.

Reports on File: Building Dept., Crawford County Transportation Authority, Grayling Recreation Authority.

Motion by O'Mara/McNamara, carried, to approve an additional \$272.85 payment to Five Oaks Nursery for landscaping materials and labor at Township Hall. (Original bid \$1,200). All ayes.

Motion by O'Mara/McNamara, carried, to approve payment of bills on vouchers 14779-14781, 14790-14817, Guardian Dental \$200.20, Board and Comm. fees \$436, Election inspection fees \$1,473.13 and Liquor Inspections \$180, for a total of \$23,330.15. All ayes.

Motion to adjourn by McNamara/O'Mara, carried. All ayes.

Local Red Cross helping pay for hurricane relief

The American Red Cross is providing shelter, meals, and first aid to families forced from their homes by Hurricane Andrew.

The Red Cross shelters will remain open until all those who need housing can return to their homes or can arrange for other suitable accommodations.

Red Cross disaster workers have been serving meals to victims at each shelter, and nurses are on duty 24 hours a day to help with health needs.

Strolling Around Town

by Fay Bovee

As the fall approaches we still notice some of the businesses that have beds of flowers brightening up the business loop. It has been a difficult summer for plants of all varieties and we appreciate the efforts these people have made, the McGuire's at the Cedar Motel, Dr. Kerle's office and Century 21 and Sorenson Agency on M72 West as well as the plantings at the Dr. Fenn sign. Dr. Jim Hough at Michigan Avenue and N. Down River Road has colorful red begonias and he has kept

that corner mowed and picked up around the entrance sign and planter.

For my out-of-town readers, you may be surprised to find that already in August there are many colored leaves and some hardwoods have entire areas of bright red. The ground is becoming covered with leaves and it looks as though the color season will be weeks ahead of time — with the cool weather, the plants think fall arrived a while ago.

Doodles From The Tall Timber

Wendell L. Hoover Park Interpreter, Hartwick Pines State Park

All across the country, often in burned over areas, the Fireweed is presently in bloom. Where they grow in quantity the area appears to be in flame, especially from a distance. The Fireweed "Epilobium angustifolium" is very common from Greenland to North Carolina and West to California and even into Alaska. Like so many plants we think of as being natives, this plant is a native of Eurasia.

Some specimens may reach eight feet in height, but most are only four feet or so. The lower flowers on the stalk bloom first and are most often

purple, but white flowers may also be found on occasion.

The plant is now so common and well known that it has many common names, such as Purple Rocket, Persian Willow, Rosebay, Baw Willow Herb, Firetop, Spied Willow Herb, Indian Wickup, Blooming Sally, and Flowering Willow. According to one source, the young shoots may be eaten like asparagus, the leaves make tea and the plant's pith may be used in soup, and bees find the flowers to be a good source of nectar. The seeds are dispersed by the wind since they have plumes of long, white silky hairs.

Healthline

Linda DeMarchis, M.A., Health Educator,

This column is presented as a public service to the community by District Health Department No. 1 which serves, Wexford, Missaukee, Kalkaska, and Crawford counties. If you have any questions you would like to see answered in this column, please send them to Linda DeMarchis, M.A., Health Educator, District Health Department No. 1, 401 Lake St., Cadillac, Michigan, 49601.

Q. We are a young family with one child and another one on the way. Although my husband works full-time, we have trouble making ends meet. I have been told that a lot of the health department programs are directed toward young families. How can I find out more about them?

A. Stop by the health department and pick up one of our brochures which explains all the numerous programs and services available. Brochures are also available at grocery stores, drug stores, doctors offices, etc.

Some of our programs which might benefit you the most are:

Maternal Support Services—a program that provides education and counseling by a registered nurse and other professionals, either in your home or at the health department.

A friendly, caring nurse will answer all your questions on pregnancy, diet, childbirth, and baby care all during your pregnancy and for eight weeks after delivery. The program offers assistance with

transportation and childbirth education expenses. Pregnant women on Medicaid are eligible for this service.

Mich-Care—An insurance program that pays for the uninsured pregnant woman's prenatal care, delivery, hospital costs, lab expenses, prenatal vitamins, etc. Since the income guidelines for this program are not very restrictive, many pregnant women in this area, who are not already on Medicaid, are eligible for Mich-Care and maternal support services.

WIC—A special supplemental food program for pregnant and nursing women, infants up to age 1, and children 1-5 years of age with special nutritional needs. WIC provides free nutritious foods to all participants in the form of coupons. As well as education and counseling on good nutrition.

EPST—A special screening program that provides vision and hearing tests, blood tests, physical and developmental assessments, and immunizations. There is no cost to participants. Medicaid recipients under the age of 21 are eligible.

Immunization Clinics—Includes a scheduled private consultation with a registered nurse who checks your child's health status, explains the immunization procedure, and administers the necessary vaccine for a \$3 donation. Any child in the community is welcome. Call your local health department for an appointment.

Crawford County Road Commission July 17, 1992 Minutes

The regular meeting of the Crawford County Road Commission was held in their office in Grayling. Present were: Chairman Norman Parker, Commissioners Clyde Anthony and Kenneth Chapp, State Foreman Jerry Pratt, County Foreman Gary Leslie, Accounting Clerk Joanne Thompson. Also present were: C. B. Medley, Lovells Township Supervisor Fred Schabily, Mr. and Mrs. Walbridge and Nancy Hatfield. Absent: Engineer-Manager Young.

The minutes of the previous meeting of July 2, was read. Commissioner Anthony made a motion to accept the minutes, with an addition seconded by Commissioner Chapp. All voted in favor.

Payroll Voucher Number 15 in the amount of \$29,212.15 and Material Checks numbered 20482 through 20543 in the amount of \$46,231.85 were presented to the Board for approval of payment. Commissioner Anthony made a motion to accept the vouchers, seconded by Commissioner Chapp.

Mr. Medley presented a petition to abandon an alley in Portage Lake Park, Block 4, Lots 1-48. Chairman Parker informed him that another petition for abandonment in Portage Lake Park had been received and that the Board would like to combine both actions at one Public Hearing. Mr. Medley will be notified when a date is set.

Lovells Township Supervisor Fred Schabily presented the Board with a petition for major improvements on Lovells Road. Extreme damage is occurring to the blacktop from double semis, tankers, gravel trucks, and pulp hauling trucks. Even though the road commission patches the holes they reoccur or more appear due to the excessive amount of traffic on the road. The Board explained the legalities involved on a primary road and the funding received. Foreman Leslie informed all attending that a call is pending from the State Police Motor Carrier Division regarding the over length vehicles using this road. The Board expressed their concern and will give it priority while the volume of continued traffic is heavy. The Board will tour the road during their lunch break.

Mr. and Mrs. Walbridge and Mrs. Hatfield appeared before the Board regarding the road name Finch. All expressed their opinions regarding the status of the name, and that they prefer the name Finch Lane. A study has been completed with a map showing which residents reside and about the road. Commissioner Anthony made a motion, seconded by Commissioner Chapp, to make the official name Finch Lane. 9-1-1 will be so informed and the information forwarded to the Post Office. It was noted that other residents could present a petition to request a road name change but they would need over 50% of the property owners signatures before a public hearing would be held.

Bill Brooks appeared before the Board with the first two signs made with the sign equipment purchased. Additional supplies are needed to promote efficiency. The Board agreed to the

purchase. Discussion was held on Stephan Bridge Road. Repair is badly needed and a price estimate was reviewed. Commissioner Chapp asked if funding was available from the U.S. Forest Service. Engineer-Manager Young is to contact various other agencies for information.

Hubert Road Bridge was discussed and the severity of the condition. It was a mutual decision to close the road as soon as possible. The Sheriff Department, 9-1-1, ambulances, fire departments, and any other agencies will be notified immediately. A notice will be published in the local paper.

The Board adjourned for lunch and during that time toured Stephan Bridge Road south of M 72, P 97 from North Down River Road to Lovells, Hi Banks, also inspected the new location of Ski Park Road and culverts on Twin Bridge Road.

Upon request, Pauline Hatfield Payroll Clerk, presented to the board the annual updated Blue Cross information. Jon McLeod, representing the unionized employees, also took part in the discussion of benefits.

Various correspondence received was reviewed. Commissioner Chapp gave a synopsis of the Michigan County Road Commission Self Insurance Pool meeting he attended in Gaylord.

Discussion was held on possible encroachments on state highways. Foreman Jerry Pratt was instructed to contact the County Road Association for any information available or to contact the Attorney General for an opinion.

County Foreman Gary Leslie was instructed to contact Camp Grayling in continued maintenance of Soldier Avenue. Also correspondence was received regarding the condition of North Red Head Lane.

A motion was made and seconded to adjourn. All voted in favor. Meeting adjourned. Joanne Thompson-Accounting Clerk Norman L. Parker-Chairman

Animals receive boost from weekend events

Labor Day weekend will be a busy time for the "animal people" of our area. Concerned Citizens For Animals (CCFA) is having another yard sale September 4, 5, 6, and 7. It will be held at the Animal Shelter of Crawford County, 508 1/2 Huron Street (M-72 East), Grayling, MI, 9 a.m. to 4 p.m., phone 348-4117, or 348-8842 for more information or with donations.

On September 5 CCFA will be having their first pet show and talent contest. This will take place in the Grayling City Park at 1 p.m. Judging will be done by the audience at a cost

of \$1 per vote. You may vote as many times as you have dollars. There will be prizes for each category. Phone 348-4117 or 348-4084 for more information.

On September 5 at 10 a.m. there will be a people-dog walk-a-thon. They will start at Grayling State Bank in downtown Grayling and walk to the park in Frederic. Participants will seek sponsors and proceeds will go to the Animal Shelter of Crawford County. For more information phone Dixie at 348-4117 or Linda at 348-4084.

4-H youth soccer registration underway

Registration for the 1992 fall soccer season is open now through September 12, 1992. Youth ages 6-13 are eligible.

Games this year will be during the week along with one game scheduled on a Saturday. Cost for the program will be \$10 for each child. Registration forms may be picked up at the MSU

Extension Service office in the basement of the courthouse.

Coaches are needed. Anyone who might be interested, please contact Karen Langseth, 4-H Program Assistant at the MSU Extension office. There will be training available for all coaches this year.

Langseth attends summer youth program

Grayling resident Kevin Langseth was among approximately 1,000 students to recently attend Michigan Technological University's 20th annual Summer Youth Program. Each student can choose from 60 different week-long explorations which promote career discovery and the

development of new skills through laboratory, classroom and field experiences.

Langseth is the son of Steve and Karen Langseth and is a freshman at Grayling High School. He participates in baseball, basketball and soccer.

Local volunteers join Muscular Dystrophy Telethon

The Cornell Real Estate building on the I-75 Business Loop will be this year's Muscular Dystrophy's Telethon Center.

Local volunteers will be taking your pledges starting at 9 p.m. on Sunday, September 6, running 22 hours through

7 p.m. Monday, September 7. A fish bowl will also be there for anyone to put change in or for those individuals who collect donations.

To make a pledge to the local Muscular Dystrophy Telethon Center, call 348-6481.
